

Equine Activity Release

Windhorse Stables LLC

I, the undersigned (and Guardian, if applicable), understand that horse-related activities, including handling, grooming, hand-walking, and horseback riding are unsafe activities and I assume all risks associated with horseback riding, handling and related activities. Without limiting the foregoing:

1. I understand that there are inherent risks associated with equine activities. The inherent risks include, but are not limited to, the propensity of equines to behave in ways such as running, bucking, biting, kicking, shying, stumbling, rearing, falling or stepping on, that may result in injury, harm or death to persons on or around them; the unpredictability of equine's reaction to such things as sounds, sudden movement and unfamiliar objects, persons or other animals; certain hazards such as surface and subsurface conditions and collisions with other animals; and the limited availability of emergency medical care.

2. Understanding those risks, I hereby voluntarily assume all risk of loss, damage or injury, including death, and including any injury or damage to my property, that may be sustained or caused by me while engaging in activities with or under the care of EquiShui Inc. or Windhorse Stables LLC (each of the foregoing together with their owners, members, shareholders, board members, employees, independent contractors and/or agents, are collectively referred to in this Release as the "Facility"). I further agree to indemnify and hold harmless the Facility from any such claims, demands and causes of action, including attorney's fees and associated expenses which might otherwise arise by virtue of such damage, injury or loss.

3. I have read and understand, and freely and voluntarily enter into this Release. I understand that this Release is a waiver of any and all liability(ies) that the Facility may have with respect to me. In no event shall the Facility be responsible for any damage, injury or cause of action caused either by me, by other persons or animals, or by any horses belonging to the Facility or others.

4. This Release shall be binding on my heirs, next of kin, personal representatives, executors and administrators. I agree that this Release shall be binding and inure to the benefit of the Facility and their successors and assigns. Each person and entity listed in the definition of Facility is an intended third party beneficiary of this Release.

5. In the event that any provision of this Release is held to be unenforceable, then such unenforceability shall in no way affect the other terms and provisions hereof which shall remain in full force and effect.

6. I have carefully read this Release which states, among other things, that I assume all risks of injury to myself and persons I bring to EquiShui Inc. and Windhorse Stables LLC.

7. I, being of legal age and of sound mind, have read and understand this Release and I agree to be bound by it.
